PREMIUM — \$180 · Delivery: 3 days · Unlimited Revisions

"Full Recovery + Multi-Vendor Delist"

Complete recovery for high-traffic / business-critical sites.

Includes everything in Standard PLUS:

- Google Safe Browsing removal
- McAfee SiteAdvisor delisting
- Norton Safe Web delisting
- Yandex blacklist removal
- Sucuri / VirusTotal blacklist removal
- Deep database & core file audit
- Enterprise firewall (Sucuri / Cloudflare) setup
- 2FA + login protection
- SEO recovery guidance (fetch & re-index)
- 30-day monitoring + free re-blacklist protection
- Full recovery PDF report

Add-Ons / Gig Extras (Both Gigs)

| Add-on | Price | Delivery |

|---|---|---|

| Express 12-hour delivery | +\$25 | 12 hrs |

| Extra site cleanup | +\$25 / site | +1 day |

| Sucuri Premium firewall (1 year) | +\$50 | +1 day |

| Detailed security audit PDF | +\$20 | Same day |

| 30-min consultation call | +\$15 | Scheduled |

| 90-day monitoring extension | +\$40 | Ongoing |

Pricing Strategy Notes

- Basic = entry-level, first-time buyers, budget clients
- Standard = target 70% of orders (best margin + value)
- Premium = high-ticket, eCommerce, agencies, repeat clients
- Add-ons = increase average order value by 30-50%

Success guarantee: 100% refund if unable to complete the job.
